

**HOLOMUA FARMS**

## CORPORATE RETREATS & EVENTS

Holomua Farms is a **sustainably designed** and built outdoor event space with glamp-style accommodations.

We host events for groups of up to 50 people that include: special occasion parties like birthdays or anniversaries, farm-to-table dinners, corporate retreats, family potlucks, wellness workshops and rustic-style weddings.

## LOCATION

Holomua Farms is located in Waialua, Hawaii on **Oahu's North Shore**. It's nestled in a river valley at the base of Mt. Kaala, Oahu's tallest. Although it feels remote, the farm is just a **10-minute drive from Haleiwa town** and a 45-minute drive from downtown Honolulu. It's secluded and rustic, yet comfortable. The farm is accessible.

## FACILITIES & ACTIVITIES

Our large covered deck offers **stunning mountain views**. It can be used for meditation, yoga or other group exercises, or for mealtimes and catered dinners.

Nearby, a small covered deck offers a grill and counters for meal prep. For evening gatherings or s'more making, there are **3 separate firepits** to choose from.

## ACCOMMODATIONS

Holomua Farms offers **glamp-style accommodations** for up to 20 people. There are 3 private cabins and one large bunkhouse, each with a private shower, solar-powered lights and Yeti coolers for food storage.

Sleeping areas have drop down screens, but all other spaces are open air. Cabins are accessible by ramps and within walking distance to one another. Additional space is available for tent camping. Bathrooms are communal.

## CUSTOM PROGRAMS

Holomua Farms offers custom team-building programs. Whether for colleagues, friends or families, these programs are a great way to foster teamwork and build relationships in a fun, outdoor setting.

Our facilitators work with you to **design a program that meets your group's objectives**. Popular program topics include communication, problem solving, and adapting to change, but we also have groups whose priority is to just have fun.
